

Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Saturday 10 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Scattered showers on Saturday, some warm sunshine too.

Today:

A mainly dry start with some sunny intervals. Scattered heavy showers will break out inland, perhaps the odd thunderstorm in the east. West coast staying mainly sunny. Very warm with light winds. Maximum temperature 23 deg C (73 deg F).

Tonight:

Scattered showers inland gradually fading this evening with late sunshine for most then dry with some clear spells tonight. Light winds. Minimum temperature 13 deg C (55 deg F).

Sunday:

A bright day with some sunny intervals. Scattered heavy showers, perhaps thundery, again breaking out inland, mainly over Lanarkshire and Argyll. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:

Sunshine and scattered thundery showers on Monday and Tuesday, showers mainly inland with good sunny spells on west coast. Wednesday will be dry with some sunny spells. Warm.
